Portsmouth Auto Body Center,

Congratulations! Portsmouth Auto Body Center has achieved 2019- 2020 Certified-Recognized Collision Care Provider status. This outstanding business is hereby Certified by Assured Performance Collision Care, Inc. a non-profit consumer advocacy organization and Officially Recognized by leading Auto Manufacturers:

The on-going Certification-Recognition signifies that this repair business possesses the manufacturer specified tools, equipment, training and facility modifications essential to the repaired vehicle fit, finish, durability, value and safety. This Collision Care repair business is now part of the most technically advanced collision repair capable network.

You and your staff should be proud of the significant commitment you have made and the achievement you have earned with this exclusive Certification and Auto Manufacturer Recognition. Your official Certified-Recognized status illustrates that your collision repair business is in a league of its own. Your Certification and dedication to Collision Care are the standard by which all others are measured.

Sincerely Yours for an Industry of Excellence,
